

MK. CONTACT LIST

Make a list of every person you know that has skin on their face! They can help you start your business, give you their opinion, and allow you to practice on them. Write down literally everyone that comes to mind-people with whom you went to school, people you work with or have previously worked with, relatives, relatives of relatives, and people you come in contact with that you might not even know their name. When you run out of room on the front, use the back!!!! :->
